Throughout history the coincidence of leadership with the ability to attract and command a following through the power of effective speech has been too frequent to be set down as a matter of chance. The Debate club believes that leadership tomorrow depends on the training today. The club work stresses initiative, reasoning, and adaptability.

## *The Sports Year at North Dallas*

The 1953 Bulldog football team, following in the footsteps of the 1952 gridders, again had one of our best years. After defeating Waco by forfeit, the Bulldogs overran Grand Prairie, Palestine, and North Side of Fort Worth. The Bulldogs were beaten in the last 45 seconds by a powerful Woodrow Wilson team, but came back to crush Sunset, South Oak Cliff, Forest, Crozier Tech, and Adamson to capture an undisputed second place in the city standings.

The Bulldog basketball team won third place in the city this year, winning 7 out of 12 city series games. The roundballers beat Woodrow Wilson, South Oak Cliff, and Forest twice. They won and lost one from Sunset and were defeated twice by Adamson and Tech.

The 1954 Bulldog baseball team is getting off to a good start; winning 9 out of 12 of the pre-season games. So far in the city race the Bulldogs have beaten South Oak Cliff, 3-0; Tech, 5-4; Forest, 4-0, but lost to Adamson, 7-0.

The Bulldogs' track team has won 3 out of 4 quadrangular meets, losing a close one to Sunset. The thinlyclads are expected to make a good showing in the city meet.

Lee McLennahan and Tom Bredlow perform one of the important camp duties—cleaning the rifles.

John Ferguson coaches a cadet during the daily drill period on the range.

Have you ever seen so much early-morning energy displayed at a breakfast table?

Every cadet's dream (to receive mail at camp) is fulfilled for Tom Harris and John Boorman as Lee McClennahan, Gary Purcell, and David Beeman hopefully watch Bill Mathias hand out the mail.

Here's Bill again—this time he's handing out the ammunition for the day's drill.

Bob McCullough, *extreme left*, and Jack Swann, *with club*, demonstrate their method of disciplining plebes, first year cadets.

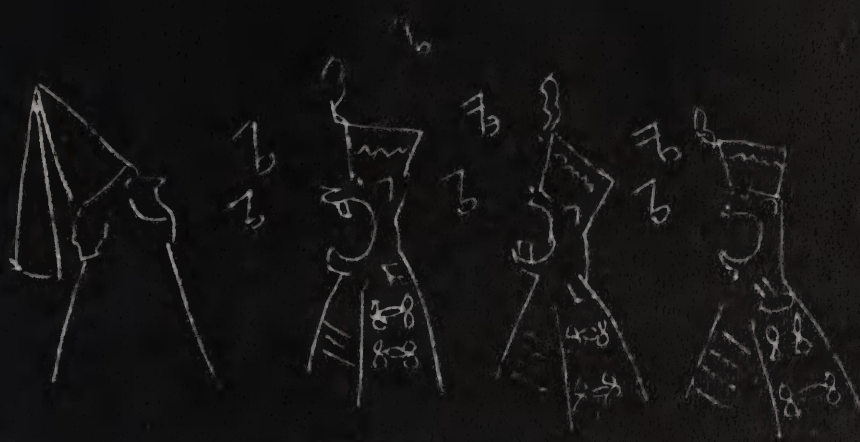

*Above:* That is, all is quiet and peaceful with the exception of four playful cadets whose antics fail to disturb the tranquil slumber of an unidentified sleeper.

On April 10 a number of Spanish students represented North Dallas on the KRLD-TV program "*Adventures in Learning*." Mr. W. O. Pipes, principal, gave a short talk on the significance of Pan-American Day (April 14). Then the third and fourth-year students presented a quiz game entitled "*De donde vengo yo?*" (Where am I from?) in which a panel tried to guess the countries represented by the costumes of some of the students.

Another group, composed of members of first and second year classes, demonstrated several good methods of learning to speak Spanish by using a wire recorder and "*La Luz*," a Spanish classroom periodical.

What's in a name? Norman Wood doesn't know,  
but it's sure tough to persuade Jo Ann Lissotta  
to change hers!

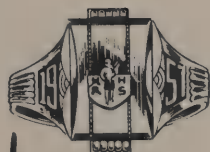

What's new?

The Viking's "candid camera" takes Mr. Maiden (above) and Miss Clement (left) completely by surprise!

Proud!
